### **Conflict Mineral Compliance Statement**

As a privately held corporation, Spaulding Composites is not subject to the rules and reporting requirements of Section 1502 of the Dodd Frank Wall Street Reform and Consumer Protection Act. Regardless, Spaulding Composites is dedicated to maintaining the highest ethical and legal standards in all of our endeavors. We also recognize that our customers may be subject to the requirements of this Dodd Frank Reform legislation. As such, Spaulding Composites is committed to ensuring responsible sourcing of materials in accordance with this legislation.

Spaulding Composites materials do not contain Conflict Minerals – specifically cassiterite, columbite, tantalite, gold, wolframite or tungsten or their derivatives, which originate from the Democratic Republic of the Congo or specified adjoining countries. We will also continue to work with our key suppliers to ensure that Conflict Minerals remain out of our supply chain.
